Adopt A US Soldier is a non-profit organization that seeks volunteers and donors to help show the brave men and women fighting for our freedom that their sacrifices will not go unnoticed.

It connects supportive civilians with deployed soldiers and offers a channel by which to communicate encouragement and express gratitude to those brave men and women serving in the United States Armed Forces.

Adopt A US Soldier is sustained by its volunteer workforce located across the United States. They need your help! With each gesture of your generosity and patriotism you will be repaid ten-fold by the joy and gratitude from our soldiers who sacrifice every liberty to defend our FREEDOM. Plus, all donations are tax deductible.

Please visit [www.adoptaussoldier.org](http://www.adoptaussoldier.org) to adopt a soldier! Our soldiers don't ask for much, just a connection with the country they left behind to defend. There is no better way to put it than the words of one Marine, who when asked what he needed said,

"No requests, just don't want to be forgotten." -LCPL O.J.T.III
